Please comment on Resident SuperTag Rules ARM

Dear Fish and Wildlife Commission, please approve initiation of rule making for the Free Resident SuperTag by the MT FWP Department. The department is competent and have the big game biologist's knowledge of the species to make proper decision regarding the Super Tag opportunities for residents. Thanks.

I am in favor of this rule. I believe fwp has the ability to do the science and other the tag that will not affect the health of the species also it should help with the front loading of license dollars to the state
