

Elk Management Citizen Advisory Group | Agenda

Thursday, April 28, 2022

8:00 – 12:00 pm MST

<https://fwp.mt.gov/aboutfwp/elk-management-citizen-advisory-group>

The purpose of the Elk Management Citizen Advisory Group is to forge new relationships among stakeholders and collaboratively develop new and creative ideas and recommendations for issues surrounding elk management in Montana to balance hunter and landowner interests.

Meeting Objectives

- Confirm the key issues that will be addressed in the recommendations to balance hunter and landowner interests for Elk management
- Develop a deeper understanding of the public perception of the values surrounding the key issues
- Clarify the values and vision for the recommendations to balance hunter and landowner interests for Elk management
