POSITION TITLE: Fisheries Intern

OF POSITIONS: 1

LOCATION(S): Kalispell Based – Region 1

WORK START/END DATES: Approx. June 5, 2025 – August 31, 2025

HOURS/WEEK: 40 **TOTAL HOURS FOR INTERNSHIP:** 480

TRAINING/ORIENTATION DATES: On the job training, completed as various tasks are undertaken

HOURLY PAY: \$17.00/hr.

ADDITIONAL COMPENSATION/RESOURCES:

Housing provided

If yes, please list type of housing available: Potential housing exists for this position. Option 1: FWP housing location for seasonal employees (shared living space with other seasonal employees).

Options 2: State provided camper trailer with free camp spot.

Vehicle provided

Per Diem

Other (please explain):

POSITION DESCRIPTION/SCOPE OF WORK: Assist regional fisheries staff in completing DNRC contracted Bull trout habitat and population monitoring surveys. Additional work could include mountain lake surveys and fish population estimates by netting, angling and electrofishing. Laboratory tasks will include gravimetric analysis of streambed substrate samples and data entry/summarization using standard

software. Additional tasks may be required. Will need flexibility in scheduling; hiking and overnight camping in back country situations will occur several times during the field season. Must be able to wade in small – moderate sized streams while at times carrying up to 40 lbs. River angling skills required; specifically, fly fishing skills where catch, tagging and release of fish will be necessary to complete population estimates.

SKILLS, ABILITIES, KNOWLEDGE NEEDED (EDUCATION; UNDERGRAD/GRAD LEVEL, SUGGESTED/REQUIRED MAJORS):

Knowledge, skills and abilities to be developed as tasks are completed. Either undergraduate or graduate level, majoring in resource management, environmental studies or closely related fields required.

APPLICATION MATERIALS:

Resume

Cover Letter

References

Other (please specify): Selection based on resume along with cover letter and two references. Please send application materials to the contact person listed above by the specified application deadline date. Materials may be sent electronically or by mail.

SEND APPLICATION MATERIALS TO: Andrew.Lamont@mt.gov

COOPERATING SPONSORS OF PROJECT: Montana Fish, Wildlife & Parks, Montana Department of Natural Resources & Conservation and Bonneville Power Association.

FUNDING SOURCES:

31181
