POSITION DESCRIPTION/SCOPE OF WORK: This position would involve providing interpretive programming at Lewis and Clark Caverns State Park. The primary task would be providing cave tours, allowing over 3,000 people the opportunity to experience the natural wonder of Lewis & Clark Caverns. Alongside this role, they would be doing 10-minute interpretive programs for the public waiting for the next tour. The

intern would also be encouraged to develop additional interpretive programming according to their specific interests. This position would also assist with routine cleaning tasks in the visitor center, cave, restrooms, grounds, etc.

This position will provide Certified Interpretive Guide (CIG) training March 3-7, and Lewis and Clark Caverns staff-specific training April 26-27. Both trainings are mandatory.

SKILLS, ABILITIES, KNOWLEDGE NEEDED (EDUCATION; UNDERGRAD/GRAD LEVEL, SUGGESTED/REQUIRED MAJORS):

The knowledge, skills, and abilities of this position are normally attained through combination of education and experience equivalent to high school graduate with some work or club experience featuring public/customer service and interest/experience in one of the following fields of study: park or natural resources management, communications, education, public speaking, interpretation, tourism, history, psychology, sociology, archaeology, paleontology, fish and wildlife management, and geology. Other combinations of education and experience will be considered on a case-by-case basis.
