**Instruction To Resident Landowner Sponsor Applicants:**

State law (MCA 87-2-511) provides that deer combination licenses may be sold to applicants indicating their intent to hunt with a Montana resident sponsor on land owned by that sponsor. Resident is defined in MCA 87-2-102. A sponsor is defined as a resident individual, or a resident individual of a domestic corporation or partnership created pursuant to Montana statutes. A resident landowner sponsor may submit a maximum of 15 certificates of sponsorship per year. A landowner sponsor who fails to submit complete records for the prior year will not be permitted to sponsor nonresident applicants for the current year.
