

Dear Montana Fish Wildlife and Parks Commission

Here is our submittal of application to sell the Shiras Moose action tag for 2020. We would also like to thank you for your time and consideration.

## A. STATEMENT OF ORGANIZATION'S PURPOSE

Southwest Montana Safari Club International (SWMTSCI) is a not-for-profit organization of hunters whose primary missions are to protect the freedom to hunt and to promote wildlife conservation.

Hunters continue to support the revolution in wildlife management in the USA started by Theodore Roosevelt and his fellow sportsmen that has brought species such as white-tailed deer, wild turkeys and elk back from the brink of extinction to an abundance. Hunters willingly pay a tax on sporting goods in the US that provides billions of dollars of support to wildlife management and conservation. On a global scale, hunters support the concepts of sustainable use and community-based natural resource management that conserve iconic species such as the lion, elephants, rhinoceros, leopards and cheetahs.

SWMTSCI is leading in protecting the freedom to hunt and promoting wildlife conservation in Montana and worldwide. These primary missions are supported through the many arenas of the organization.

SWMTSCI keeps 70% of our net revenue, which within the state of Montana.

SWMTSCI was founded in 1998 in Bozeman and currently has 373 members.

## Advocate

Since 1998, SWMT SCI has spent numerous hours protecting the freedom to hunt through policy advocacy, and education for federal and state legislators to ensure hunting is protected for future generations.

## Connect

When you become a member of SWMT SCI, you join a network of individuals in SW Montana and all over the world.

## Educate

Through Starting Bow programs in the schools, support youth hunting and conservation programs, our publications, and we keep our members up-to-date on events and board actions, news and stories about other members' hunting expeditions.

### B. Bylaws (See Attached)

### C. Organizations previous involvement

SWMTSCI along with SCI were instrumental in helping delist the wolves to turn management over to the State so that they could be managed to help reduce numbers in areas when Moose populations are declining. We also continue to support the management of wolves to protect Moose before they become a threatened species.

We annually send up to 9 Montana teachers to the SCI AWLS program in Jackson Hole. AWLS teaches them about conservation, ecology, and biology, and gives them lesson

plans that they can take back to their classrooms to teach future generations about conservation, ecology, and biology. Through this can then bring conservation and wildlife in the outdoors to their classrooms and touch upon hundreds of Montana children each year.

SWMTSCI has a grant program available through our website allowing other organizations to apply for grants for open spaces, conservation, wildlife habitat and education.

Over the past 5 years, we have hosted over 11 live/online auctions with gross revenue over \$589,000. We have also brought in Nation Finals Rodeo Announcer Barney Sheridan to be our MC and paired him with state champion auctioneer Reed Tobol.

## E. How Auction will be Conducted

The Moose tag will be held in an online auction live action broadcast worldwide from our annual banquet held in Bozeman with close to 400 attendees in the room. We will market it to our large, over 21,000, email list and through our social media. All are hunters. Maximizing your conservation dollars. Estimated revenue \$45,000. Our auctions sell over 35 big game hunts in one night.
