

## MEMORANDUM

**TO:** Fish & Wildlife Commission **DATE:** January 12, 2022

**FROM:** Fisheries Division, Fish Habitat Bureau

**SUBJECT:** Future Fisheries Program Applications (Winter 2022 Funding Cycle)

Below is a summary of the Winter 2022 Future Fisheries applications. These applications can be reviewed on the FWP website at: <https://fwp.mt.gov/ffip> under *Winter 2022 Future Fisheries Applications*. Direct links are also available in the included 2022 Winter Recommendations document. The public has an opportunity to review these applications and submit comments directly through the Future Fisheries webpage. This is the second of four funding cycles of the biennium.

The Future Fisheries Citizen Review Panel made funding recommendations on December 15<sup>th</sup>, 2021. Files included within this commission package are 1) funding recommendations of FWP staff and the Citizen Review Panel and 2) the results of the prioritization exercise (ARM 12.7.1203). An interim report to summarize Program activities for 2021 is available online: <https://myfwp.mt.gov/getRepositoryFile?objectID=104535>. Hard copies are available upon request.

Please feel free to contact the Future Fisheries Coordinator (Michelle McGree; [mmcgree@mt.gov](mailto:mmcgree@mt.gov), 444-2432) if you have any questions or comments regarding these applications or the Future Fisheries Improvement Program.

Project #	Project Name	APPLICANT	Region	Request	Match	Other contributions	Total Project Cost	PANEL RECOMMENDATION
