

**Deer Master List
December 20, 2021**

Specific proposed changes for 2022–2023 as adopted by the Fish and Wildlife Commission at their December 14, 2021 meeting identified below. All season components except calendar year rotation are open for public comment but are proposed to remain unchanged from 2021.

REGION 1

Deer:

HD 101 & 109: Boundary change – Combine HD 101 and 109 and exclude a portion of 101 along the southern boundary. New HD will be named HD 101 - Eureka. See boundary changes master list.

HD 102 & 103: Boundary change – Combine HD 102 and HD 103 along with a portion of 101. New HD will be named HD 103 – East Fisher-Pleasant Valley-Tally Lake. See boundary changes master list.

HD 121 & 123: Boundary Change –Adjust boundary near Belknap, Montana. The current legal description references a USFS trail that no longer exists. Therefore, the description for that portion of the HD 121/HD 123 boundary will be changed to follow Sievers Ridge to its termination with Mosquito Creek road in T22N R30W S20 & S22. See boundary changes master list.~~HD 123, 124 & 200: Boundary Change – Combine HDs 200, 123 and 124. New HD will be named HD 200. Adjust boundary near Belknap, Montana. The current legal description references a USFS trail that no longer exists. Therefore, the description for that portion of the boundary will be changed to follow Sievers Ridge to its termination with Mosquito Creek road. Minor change to old boundary that follows a non-existent USFS trail in T22N R30W S20 & S22. See boundary changes master list.~~

Mule Deer

HD 101 & 109 (proposed as HD 101): Eliminate the opportunity to harvest an antlered buck on the General Deer License during the last two weeks of the season in the current HD 101 portion and make the new combined HD 101 mule deer regulations consistent with current HD 109 (3-week General Deer License antlered buck opportunity/2-week limited antlered buck permit).

Change 109-50 Antlered Buck Mule Deer Permit to a new 101–50 Antlered Buck Mule Deer Permit valid during last two weeks of general season. Quota 15 (range 5-50). Note: Quota for current HD 109 is 10.

HD 170: Change the General Deer License opportunity during the general season from either-sex mule deer to antlered mule deer bucks only.

White-tailed Deer

HD 101 & 109 (proposed as HD 101): Either-sex opportunity with the General Deer License is valid during archery season and first week of general season (excludes PTHFV and youth).

Remove General Deer License either-sex white-tailed deer opportunity on private lands not owned by corporate timber companies during the last week of the general season (excludes PTHFV and youth).

Increase quota for White-tailed Deer B License 101–00 to 200 (range 5 – 800). NOTE: Quota for current HD 101 is 100 and quota for HD 109 is 75.

**Deer Master List
