- Antlered Bull - any moose having an antler or antlers of at least 4 inches in length measured from the top of the skull.
- Antlerless - a female or juvenile male with an antler or antlers less than 4 inches in length measured from the top of the skull. FWP suggests hunters not take a moose with a calf at side.
- Either sex - any moose.

Licenses and General Information

- An applicant who receives a moose license is not eligible to apply for or receive another license for moose for the next succeeding seven years (see 7 Year Wait chart).
- License holders may legally take one moose subject to all specifications on the license issued.

Moose License Auction

- Legislation authorizes the Fish & Wildlife Commission to provide for the auction of one moose license each year. This license authorizes the hunter to take an antlered bull moose in any open district of his/her choice. If this license holder is successful, the moose will not be counted against the district quota. License holders may hunt only in areas open to moose hunting.
- The auction is held annually during the winter by a conservation organization that is preselected by the F&W Commission.
- Money raised through the license auction is used for management of moose.

SuperTag Lottery for Moose

- Resident and nonresident hunters can buy an unlimited number of \$5 chances to win a Montana hunting license for antelope, bighorn sheep, bison, deer, elk, moose, mountain goat, and/or mountain lion.
- An individual may be successful in winning one or a combination of these SuperTags per year.
- Each SuperTag license allows one to hunt in any Montana hunting district valid for that species.
- The moose, bighorn sheep and mountain goat seven year waiting period does not apply to SuperTags.
- Chances are sold electronically at all FWP license providers or via the internet.
- Proceeds from the sale of SuperTag chances will enhance public hunting access and boost FWP enforcement efforts.
- For more information, visit FWP's website at fwp.mt.gov.

Moose HD Regulations

Residents are eligible to apply for any of the following licenses. Nonresidents are restricted to certain districts. Nonresidents are limited to, but not guaranteed, 10 percent of a region's quota. **Districts where nonresidents may apply are listed on the moose, bighorn sheep and mountain goat nonresident worksheet, but may change when final quotas are set in June.**
