## Q2

Please comment on the Town of Circle Deer Management Plan

I am in full support of municipalities creating deer management plans.

Please comment on the Town of Circle Deer Management Plan

Congratulations on coming up with a rational plan to reduce the deer population in Circle. I hope it is approved and I hope this can be introduced in other locations, Missoula especially. I'm not a biologist, but I think birth control would be a safer method of population control for the community. Might be a tool in the tool box if folks are serious about population reduction. Good Luck!
