Please comment on the 2023-24 Flathead Indian Reservation Non-Member Fishing and Hunting Regulations

As long as they are gouging us on license fees I won't hunt or fish in the reservation. I had duck hunted there several years but won't now. I also recommend that usfw reduce the amount of money spent at nine pipes. No additional funding from the state should go into development of fwp sites or activities inside of the reservation as long as they are gouging non residents.

Please comment on the 2023-24 Flathead Indian Reservation Non-Member Fishing and Hunting Regulations

I think the current cost of the non-member fishing licence is way too high. I know many people who stopped fishing this area.

I think your license fees are too high. If your goal is to keep Non-Tribal member-non-residents of the Reservation to not fish (besides Flathead) or bird hunt on the Reservation, it must be working? At least give a senior citizen a better price when they are a resident of the Reservation for conservation-fishing.

Non-tribal land owner on the Reservation should be allowed to hunt all big game species on their property.

Please comment on the 2023-24 Flathead Indian Reservation Non-Member Fishing and Hunting Regulations

\$125.00 for a Montana resident (non-member) to fish is crazy. We don't double the prices of goods and services when they shop in our town. The tribe benefits from my Federal and State taxes.
