

Contact information:				Please comment on the Future Fisheries Improvement Program.	
Name:	City/Town	State/Pro	Position	Open-Ended Response	
J. W. Andes	Lincoln	MT	support	I fully support this program.	
Gina Deem	Clancy	MT	support	Approve Dear Commissioners, I am contacting you to express my support for this round of future fisheries projects. All of these projects will support Montana's amazing wild trout fisheries that are the envy of the world. Please support all of these projects and thanks for your time!	
Connor Parrish	Livingston	MT	support		
Matthew Kilsdonk	Butte	MT	support	I Matthew K am in support of the fisheries improvement program. You could start with planting cutthroat instead of cut/bow. have an open season on cut/bows. get rid of climb the ladder employees. More field jobs instead of desk jobs. cut the extra employees. upgrade the genetics of cutthroat by planting cutthroat
