Please comment on Public Use Rules Deviations

I request 15 minutes to speak during the October meeting to Discuss the complete CLOSING of the PORCKEYPINE Elk Refuge at Big Sky. It is now closed due to a region 3 decision to close the refuge year around. without public discussion. this site is the most often used public access in B.S.

The ONLY reason given is the USFWS stayed in the two cabins, and complained that hikers were talking to them
